LankaBangla Investments PLC (LBIPLC) is a premier investment bank in Bangladesh with a strong footprint in the capital market. We bring substantial expertise, a long track record of operational excellence, and a portfolio of landmark transactions that have shaped Bangladesh's financial landscape.

Our Primary Market Services team specializes in Public Offerings, including IPOs, Rights Offers, Qualified Investor Offers, Private Equity, and other capital-raising and restructuring solutions. We are looking to hire highly motivated, driven individuals to join our dynamic team.

Key Responsibilities

- Execute transactions related to IPOs, Rights Offers, Qualified Investor Offers, and other capital-raising or advisory mandates.
- Conduct comprehensive due diligence, including market research, industry studies, and financial analysis of potential and existing clients.
- Prepare and review financial models and business valuations.
- Analyze financial statements in accordance with local laws and international accounting standards.
- Develop and present capital raising and listing strategies to clients.
- Prepare high-quality presentations, internal documentation, and client reports.
- Prepare communication materials.
- Liaise with clients, regulators, and other stakeholders to ensure smooth transaction execution.
- Support business development initiatives by pitching services to prospective clients.
- Engage with investors at various levels to facilitate successful capital raising.

Qualifications & Skills

- Bachelor's or Master's degree in Finance, Accounting, or Economics.
- Candidates pursuing professional qualifications such as CFA, ACCA, CIMA or CA are strongly encouraged to apply.
- Strong command of Microsoft PowerPoint, Excel, Word, and AI-enabled tools.
- Solid understanding of financial statements, valuation methodologies, and accounting standards.
- Excellent interpersonal and communication skills, with the ability to manage diverse stakeholders.
- Business development mindset with strong networking abilities.
- Strong research skills in macroeconomics, microeconomics, and industry sectors.
- Detail-oriented, with the ability to work under tight deadlines.
- Up-to-date knowledge of local capital market regulations.

Experience Requirement

1 to 5 years of relevant experience in investment banking, corporate finance, structured finance, corporate banking, audit and advisory firms, or related sectors.
